Velando® Compact Space

Cutting edge deep-freeze solution for supermarkets and C-stores
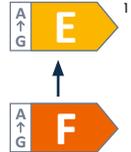

Benefits at a glance

- A reliable, high-quality solution for your frozen food area
- Performance redefined with CCR's high performance air curtain and evaporator air flow technology
- Harmonised exterior design with Optimer® LG EVO chiller multideck
- Large visible area
- Plug & play for remote monitoring with connectivity to various store gateways
- Wide range of application: freezer and chiller mode

CONNECTED PLUG - IN

°CCr **Part of the Climate Control Revolution**

Velando® Compact Space

Cutting edge deep-freeze solution for supermarkets and C-stores

Standard configuration

- Painted panels galvanized steel with hard-wearing powder coated finish, FA0605 white interior, FA0633 nimbus grey exterior
- Door frame natural (silver) E6 EV1
- Solid endwalls
- Integrated plastic front bumper, FA0632 statusgrey
- Temperature-assured forced-air cooling with honeycomb air outlet
- Energy optimized fans
- 4 rows of standard grid shelves with display covers and 40 mm scanner price rails at shelves and at bottom deck
- Vertical smart LED 5000 K cool white at endwalls and behind each mullions
- Floor close-off seal at both lateral sides and front side
- Triple glass doors with heated frame
- Electronic controller
- Natural refrigerant R290 (propane)

Customization

- Panorama endwalls or no endwalls for multiplexing
- Multiplex kits: side by side kit and transparent plexi partition, back to back kit and side covers, possible up to 2*X block installations
- Rear wall panelling
- Heavy duty castors with reinforeced bottom
- Display baskets and wire dividers
- Price rail versions
- Special short display shelf to lowest position
- Country specific mains cable
- Connectivity options to various store gateways
- Air deflector in cooling unit for better air circulation
- Reverse the direction of door opening
- Up to 6 rows of display shelves
